Justification Letter

<Date>:

Dear <Name of Principal or Supervisor>,

With more and more evidence showcasing the benefits of health and physical education for students in the classroom, I am eager to tell you about an upcoming state professional development opportunity that can improve my teaching as a (fill in: health/physical educator) and lead to better learning in the classroom.

This coming October 27-29, in Phoenix, my professional organization, –Arizona Health and Physical Education, will be hosting its annual State Convention & Expo. As an attendee, I will gain hands-on experience and learn from Arizona Health and Physical Education Teachers of the Year and certified Physical Activity Leaders who will share how I can:

- Ensure students are given the best opportunity to meet the local, state and national standards for health and physical education
- Help students become better learners
- Implement a whole-child approach to education at our school so students are healthy and ready to learn
- Incorporate practical ideas for me and my classroom colleagues to infuse more physical activity during the day
- Meet the needs of all students through differentiated instruction
- Maximize opportunities to receive funding under the *Every Student Succeeds Act* federal education law in FY19
- Meet the needs of 21st century learners to maximize student engagement using the latest technologies

Additionally, the scheduled presentations are research and evidence-based and incorporate the most recent findings on best practices. I will also learn how to leverage existing resources to enhance my program at little to no extra cost! Also, administrators can attend the entire convention for FREE so I hope you will join me.

I would appreciate the time to discuss this professional development opportunity in person and how you can support my attendance.

Sincerely,

<Full Name>

Tips for Speaking With Your Principal/Supervisor

1. Request an appointment to speak with your school principal/supervisor.
2. Use the toolkit to match the benefits of attending to specific needs within your school/district. Once the convention program is available online, select specific sessions you plan to attend and share how they align with your specific goals and responsibilities.
3. Read through our [ESSA 10 Top Tools](#) to help answer any questions related to the new federal law and how it will affect your school/district.
4. Use your most recent evaluation to address areas you could improve upon by attending the national convention.
5. After the convention, follow up on how you plan to apply what you learned at the convention throughout the school year.
6. Offer to hold a brief training session on new tactics and best practices for the staff who did not attend.
